

Instant Accounting and Instant Financial Management

Automate your bookkeeping today

Traditional values. Innovative ideas.

INSTANT ACCOUNTING AND INSTANT FINANCIAL MANAGEMENT FROM RMB PRIVATE BANK

Do you struggle to keep the books for your personal or business finances up-to-date? Now you can do your books accurately and in record time using Instant Accounting and Instant Financial Management. Instant Accounting and Instant Financial Management is a unique, online accounting solution which uses your electronic bank statement to generate financial statements and reports, including:

- Income statements
- Balance sheets
- Cash-flow statements
- Detailed transaction analysis reports
- Actual vs budget reports

Because the system is semi-automated, Instant Accounting and Instant Financial Management reduces manual data capturing and processing which enables you to produce updated financials in a very short space of time. And Instant Accounting and Instant Financial Management is now FREE for all RMB Private Bank clients.

INSTANT ACCOUNTING AND INSTANT FINANCIAL MANAGEMENT...

Saves you time:
